REQUEST FOR QUALIFICATIONS (RFQ)
DEPARTMENT OF TRANSPORTATION
FOR
COBB COUNTY BOARD OF COMMISSIONERS
COBB COUNTY, GA**

In accordance with Cobb County's "*Policy for Procurement of Professional Services*" approved by the Board of Commissioners on July 22, 1997 and amended on July 28, 2009, this policy requires a review of firms on the prequalified list every two years to ensure the firm meets the necessary standards for inclusion on the list. **The current list expires on December 31, 2010, and includes all firms prequalified during the 2009-2010 calendar period.**

Therefore, the Cobb County Department of Transportation is soliciting a "Request for Qualifications" (RFQ) and generating a new Prequalified List of Engineering and Associated Specialty firms for the 2011-2012 time period (January 1, 2011 through December 31, 2012).

Requests for Qualifications (RFQs) MUST BE RECEIVED NO LATER THAN November 30, 2010 to the Cobb County Department of Transportation. Qualification package shall be limited to twenty (20) pages, excluding cover letter. **All submissions after the deadline will be considered "non-responsive", and will not be accepted.**

If your firm is prequalified with the Georgia Department of Transportation, you may qualify for Cobb County's list of prequalified firms by submitting a copy of your **Georgia Department of Transportation (GDOT) "Notice of Professional Consultant Qualification" form**. Alternatively, if you are not prequalified with GDOT, you will be required to submit a "Statement of Qualifications (SOQ)" package. Please note that prequalification with GDOT **is not** a prerequisite for prequalification with Cobb County.

In accordance with Cobb County policy, prequalifying firms must have an established office in the Metro-Atlanta area defined as the counties of: Bartow, Cherokee, Clayton, Cobb, DeKalb, Douglas, Fayette, Fulton, Gwinnett, Henry, Paulding and Rockdale. Therefore, firms providing GDOT prequalification must also submit documentation of an established office in the Metro-Atlanta area, such as your business license.

Firm must note if it is listed as SBE, WBE, DBE, or MBE; if so, please submit appropriate documentation for the State of Georgia only.
